

Quilt Acquisition

DISPLAY YOUR QUILTS IN THE SHOW!! Here is how to do it:

1. Complete a "Quilt Registration" Form for each quilt. The form and instructions are located on the CVQ Website (<http://www.conejovalleyquilters.com/annualevents.htm>). Please send the form and a picture of your quilt (it doesn't matter if the quilt is not finished) to our new email address, CVQ.Quilt.Show@gmail.com. The due date on the form is August 8, but please turn in the form(s) as soon as you can!
2. We hope to accommodate everyone's quilts but there may be space constraints, especially for large quilts, in the new venue. If you have a quilt more than 72" wide, send in your registration quickly because spaces are limited and we will give preference to the first forms received.
3. The week before the show, we will collect all the quilts to be displayed. Quilt collection events are scheduled on September 2nd, 3rd, and 6th (details provided later). If you cannot drop off your quilts during those times, please contact me and we'll make other arrangements.
4. We ask that you hang your own quilts on the day before the show. More information about the timing will be provided later. If you are not available to hang your quilts, please let me know and we will arrange to have it done for you.
5. After the show is over you will be able to take down your own quilts. ****PLEASE** be sure to sign them out with me before you leave the venue. If you are not available to take your quilts on Sunday afternoon after the show, please assign a person to do this for you when you drop off your quilts before the show.

If you have any questions, please ask me or one of the Quilt Show Chairpersons.

Laura Murphy
